

Member Muster Benefits

- You always have ***up-to-date records*** at your Post.
- No delays waiting for National to catch up to your changes.
- No more filling out Transmittal Reports by hand.
- No need to send error corrections for your Transmittals.
- Ability to send Emails and custom letters to all members, or a select subset of members – plus print mailing labels.
- Coordinate and manage local Post committee assignments, activities, sub-groups, and programs at the local level.
- No monthly charge for AIM software that only partly meets your needs.
- Member Muster has far more capabilities than using spread sheets to maintain membership roles – and it's much easier to use.
- You will spend less time maintaining membership records.
- Eliminates data security risks of completing forms on the internet.
- Easy to train your replacement.
- No more need to go on-line to myLegion.com every time you have a question about your own local membership.
- You have complete local control of your own up-to-date membership records.

Member Muster leaves you in total command of your records. It eliminates National's delays in updating your records. It even completely automates completion and printing of Transmittal reports – *no more stubby pencil exercises*.

With Member Muster you'll do a better job managing your Post, you'll have more free time, you'll be in charge of your own records and, you'll have the info you need *when you need it*. With Member Muster your membership records are always up to date.
